Two Appear on Top 100 and One Ranks on Next 100 List

SAN DIEGO – June 23, 2020 – Presidio Residential Capital, a San Diego-based real estate management company, announced three of its California joint venture partners have been named to *Builder Magazine*'s 2020 Builder 100 and Next 100, the housing industry's premier list of the nation's most active homebuilders.

This is the first year Central Valley homebuilder [San Joaquin Valley Homes](#) – the highest ranking homebuilder affiliated with Presidio – has made the prestigious Top 100 list, which is dominated by large private and public builders. This year it ranked 94th nationwide based on 465 homes closed; a significant increase from last year when its rank was 103 among the magazine's Next 100 up-and-coming builders.

[Van Daele Homes](#) from Riverside also broke through to move up on the Top 100 moving an impressive 56 spots from 154 to 98 having closed 450 homes in 2019 – 200 more than the previous year. [Williams Homes](#), headquartered in Santa Clarita, is ranked at 141 on the Next 100 list after closing 285 homes.

“Congratulations to our partners for not only for making the 2020 Builder List, but for their tenacity during the recent months' challenges, including the statewide lockdown in California,” said Don Faye, principal of Presidio Residential Capital. “We are confident they all will achieve the Builder 100 List again next year.”

Each year, *Builder* magazine releases its ranking of the top 100 homebuilding companies in the United States based on how many homes were closed in the previous year. Those that rank 101 to 200 are recognized on the Builder Next 100 List.
