**MURRIETA, Calif. – July 26, 2017** – Cornerstone Communities and Presidio Residential Capital recently announced the opening of Bellevue at The Promontory, a unique hillside community in the north Temecula Valley Wine region. One of three new residential developments within The Promontory -- a 160-acre master-planned community in the French Valley area of southeast Murrieta, Bellevue is offering 94 luxury homes close to award-winning schools, shopping, services and entertainment.

"We’re thrilled to begin showing buyers the spectacular luxury homes at Bellevue, a one-of-a-kind community with unbelievable views,” said Michael Sabourin, president and COO of Cornerstone Communities. “Bellevue is an important addition to The Promontory and rounds out our diverse offerings there.”

The homes at Bellevue range from 2,603 to 3,629 square feet and offer up to seven bedrooms, three-car garages and optional studies, game rooms, casitas and balconies off the master bedroom. Promontory residents have access to 100 acres of open space, including Tucalota Creek, as well as parks, sports fields, walking trails and bike paths. Murrieta Plaza, Rancho Temecula Town Center and Promenade Temecula are nearby.

The Promontory is designed to preserve the majesty of the surrounding natural elements and undisturbed creek site with only 37 percent of The Promontory’s 160 acres developed and the remaining 63 percent preserved as natural open space.
In addition to Bellevue, this master-planned community includes two other communities. Calistoga at The Promontory, now open for sale, offers detached two-story homes ranging up to 2,032 square feet with up to four bedrooms. Models are being built at Brighton at The Promontory, which features family homes on generous home sites with up to five bedrooms, two-car garages and flex space.
