Amenity-Rich Neighborhoods Offering 150 New Homes and Abundant Open Space

CARLSBAD, Calif. – February 7, 2018 – [Cornerstone Communities](#) and [Presidio Residential Capital](#) recently announced sales have begun at [Blue Sage](#) and [Acacia](#), two new communities offering 150 homes within The Preserve, a 156-acre master planned community with 636 units next to the Buena Vista Creek Ecological Reserve.

“With unrivaled access to the Carlsbad Trail System, abundant open space and rich amenities, these communities are certain to appeal to young families and professionals,” said Michael Sabourin, president and COO of Cornerstone Communities. “These are perfect starter or move-up homes in an area that’s hungry for them.”

Blue Sage is offering 102 two-story triplex homes of up to 1,842 square feet with three to four bedrooms, two-and-a-half bathrooms, attached two-car garages and fenced yards. Prices start at \$588,990 to \$679,990. Acacia is offering 48 two-story paired homes from 1,934 to 2,011 square feet with up to four bedrooms, two-and-a-half baths, optional lofts and balconies, attached two-car garages and fenced yards. Prices start at \$695,990 to \$752,990. Exteriors are inspired by one of three architectural styles: Santa Barbara with distinctive patterned awnings, Coastal Tuscan and California Craftsman with attractive wood detailing.

The Preserve includes recreational facilities such as a fitness center with free weights and state-of-the-art cardio and strength equipment, a beach-entry pool, spa, parks, playgrounds, barbecue area, outdoor fireplace, multiple seating areas and a ping pong

table. More than half of the community's 156 acres are dedicated to abundant open space that blends seamlessly with the adjacent Buena Vista Creek Ecological Reserve.

In addition to Blue Sage and Acacia, Presidio and Cornerstone are developing two other neighborhoods within The Preserve, all showcasing distinctly unique product types. Agave has 88 two-story townhomes, and Cypress has 56 two and three story single-family detached homes, all with generous rooftop terraces.

The Preserve is being built in Buena Vista Creek Valley in northeast Carlsbad, East of El Camino Real and south of Route 78. The coastal Buena Vista Lagoon is less than two miles away.

These projects are a joint venture partnership with [Presidio Residential Capital](#), a San Diego-based real estate investment company.
